

Parent Engagement Policy

The staff at Travis Hill NOLA Schools (THN) believes and is aware of the value of education and family involvement. This is a collaboration between school, home, and the community. THN aims to support parents and provide opportunities to be involved in the programs that are at our schools.

Parent and Family Engagement

For the purposes of this policy, the term “parent and family engagement” means the participation of parents, guardians, and other family members in regular, two-way meaningful communication involving student learning and other school activities, including ensuring the following:

- Parents and family members will play a vital role in supporting their child’s learning.
- THN will encourage parent and family members to be actively involved in their child’s education at school.
- THN recognizes that parents are partners in their children’s education. Parents, guardians, and family members will be included (as appropriate) in decision making. Doing this will allow them to assist in the education of the children.
- THN will host opportunities for parent and family engagement. Opportunities will include: Back to School Night, Report Card Conferences, Family Nights, etc.

Travis Hill NOLA Schools will strive to conduct outreach to parents and families and involve them in activities throughout the school year.
